BUYING GUIDE

 **TriMark**[®]
Foodservice Equipment, Supplies and Design

Contact
Your TriMark Southern Region
Representative
trimarkusa.com

From concept to completion and everything in between, TriMark has established itself not only as a leading commercial foodservice dealer, but also as one of the foremost design consultants in its field.

Disposable & Chemical Specialists

We stock over 1,800 disposable and janitorial products that are ready to ship in most cases the next day.

Supplies & Equipment

We inventory a wide variety of china, glass, flatware, utensils, food handling equipment, janitorial, disposables and other supplies in our modern warehouse.

Foodservice Design

Our designers can maximize efficiency and productivity by creating a functional and high-performance kitchen layout, growing your return on investment.

SmartWall Wall Shelving

- A unique storage and work station system for often underutilized space—empty walls
- Ideal for around and above sinks, work tables, and equipment to keep stations clean and organized
- Flexible, robust design available in durable finishes for both dry and wet/damp conditions

Easy to Adjust: Uprights and grid brackets can be easily repositioned along the track.

Easy to Clean: Shelves, shelf supports, and grids can easily be removed for thorough cleaning of walls. Wall tracks and uprights can easily be wiped clean.

Configurations:

Task Stations

Unique combinations of wall tracks, shelves, grids, and accessories.

Adjustable Wall Shelving

Standard Metro Super Erecta wire and solid, Super Erecta Pro, MetroMax Q, and MetroMax i™ shelves can be used with the SmartWall G3 shelf supports.
