Strip Window Washer

Cleans large windows fast. Lint-free fabric sleeve holds water like a sponge, minimizes dripping. Sleeve snaps on 'T' handle.

Lightweight, easier to use than a brush, use by hand or on telescoping pole. Also makes an excellent wax applicator.

09950040 14" Complete w/ sleeve & handle

Telescoping Extension Pole

Eliminate or greatly reduce the amount of dangerous time spent on ladders. Made of strong, anodized, extruded aluminum, has nylon locking collars, as well as rubber hand grips. Terminating nylon cone is a 3/4" acme thread that will screw into standard threaded broom and brush blocks. Fits window squeegees and short handle scraper.
