

TRIMARK CELEBRATES THE GRAND OPENING OF THE NEW CHEFS' TOYS STORE IN SAN MARCOS, CALIFORNIA

Mansfield, MA – August 21, 2019 – Chefs' Toys, a TriMark Company, has proudly served the foodservice and restaurant community in Southern California for decades with retail locations in Van Nuys, West Los Angeles, Torrance, Corona, Anaheim, Fountain Valley and San Diego.

On Friday August 23rd, Chefs' Toys is holding a grand opening celebration for its newest location in San Marcos! Set just off Highway 78, the store will be run by experienced, knowledgeable and friendly team members drawn from the industry, as well as bring new employment opportunities to the neighborhood. Being situated in the hub of North San Diego County and part of North City development, Chefs' Toys will support foodservice businesses throughout the city of San Marcos and the many dynamic, culture-rich communities in the surrounding areas.

An industry leading website and “buy on-line, pick up in store” functionality, allows customers to experience the Chefs' Toys store 24/7, but also with the added convenience and value of picking up products at any of our stores in southern California!

“This store opening fulfills a long-standing goal to bring Chefs' Toys to the San Marcos area, which holds an esteemed reputation for hospitality and ingenuity in the foodservice sector,” says Frank Braudrick, Retail Vice President and General Manager of Chefs' Toys. “We are excited to serve this thriving market. Our enthusiastic team of professionals are ready with guidance, advice and industry insights, creating an excellent customer experience.”

We look forward to serving the San Marcos restaurant and food service community with high performance equipment for cooking and refrigeration, foodservice supplies for kitchens of all sizes and production level, as well as quality dinnerware, glassware, flatware and so much more. Like other locations, the new San Marcos store will have a fleet of trucks to make deliveries to the nearby cities and towns.

TriMark is preparing for two more Chefs' Toys store openings in California later this year, one in Pasadena and another in Oakland.
