Inspiring Artisans

Chefs. Mixologists. Sommeliers. You are true artisans. Your vision, creativity and passion transcend mere food on a plate or beverage in a glass.

You seek to invoke emotion, to create a tapestry of memorable moments from cocktails through dessert. To craft the kind of vivid experience that turns first-time guests into loyal customers and vocal brand advocates.

You consider every nuance. Engage every sense. Flavors. Aromas. Textures. Colors.

And at the center of this symphony of expression resides the tabletop.

Marquis

Schönwald

Sculptor Hans Achtziger created MARQUIS as a delicious homage to the art of the Rococo period, the perfect backdrop for formal celebrations and sophisticated events. The pear-shaped cups and tea pots boast richly ornamented handles and lids. All pieces are decorated with elaborate relief ornaments that resemble fantastically complex embroidery.

Carafes & Decanters

Spiegelau

Spiegelau glassware, carafes and decanters are specifically designed to enhance your customers' wine experience. Often, this begins with the decanting process. Decanting removes the sediment from the wine and adds oxygen. This allows the scents and aromas to develop better and more quickly – an ideal accompaniment to Spiegelau's meticulously crafted glasses.

■ Nachtmann product

Vivendi

Nachtmann

Vivendi are elegant, contemporary glasses conceived for professional use. The design is committed to the clear Bauhaus style set down by Walther Gropius.

Gropius (1883 – 1969) said, “Modern man, who no longer dresses in historical garments but wears modern clothes, also needs modern items for daily use which are firstly functional, secondly beautiful, thirdly durable and lastly affordable.” Vivendi’s functionality, design, quality and moderate price would make him proud, indeed.
