*unique, natural, extraordinary*

The Potter's Collection by Robert Gordon includes an exciting and informal assortment of embossed plates, platters, bowls and accessories in three unique colors: Pier, Shell and Storm. Each color has a distinct finish that is stunning on its own or can be beautifully mixed to create an unforgettable tabletop. The reactive glaze on Pier & Storm ensures that no two pieces of this Australian-designed porcelain will be exactly alike, and Pier's neutral taupe and Storm's deep blue color intensity varies from piece to piece. Shell features a satin, creamy-white finish with tiny flecks of dark brown throughout, making it the perfect canvas for your food presentation.
