

TRIMARK USA ANNOUNCES GRAND OPENING OF TWO CHEFS' TOYS STORES IN CALIFORNIA

Mansfield, MA – February 11, 2020 – TriMark USA, the country's largest provider of design services, equipment, and supplies to the foodservice industry, is celebrating two new Chefs' Toys store openings this month in Oakland and Commerce California.

With these two new locations, TriMark will have 10 stores throughout the state, offering the best selection of products, fast, reliable deliveries, and a range of business services for dining establishments, eateries and foodservice facilities of all sizes.

The Oakland store, located at 955 Kennedy Street, opens on February 21st and is the first Chefs' Toys in the northern California region, known for its vibrant dining atmosphere with a wide range of culturally-rich menus.

The Commerce store, located at 6446 Telegraph Road, opens on February 28th and is the third store serving the L.A. basin which is a cuisine-savvy market that continues to thrive and grow.

To show our appreciation to the communities for welcoming Chefs' Toys, both stores are inviting area restaurateurs and the general public to Grand Opening celebrations featuring live product demonstrations, complimentary food tastings, and exclusive one-day specials.

The locations will be open to the public 6 days a week and stocked with over 10,000 items. Industry experts will be available to assist customers with their purchases, with the added convenience of buying online at chefstoys.com and picking up in store.

"We are excited to bring two new Chefs' Toys stores to California, recognizing the areas are ideal for our brand, which sets the standard in quality, value-driven products, cost-saving business solutions and superior services unmatched in the industry," said Frank Braudrick, Vice President of Retail and General Manager of Chefs' Toys. "With the opening of these stores, we continue to strengthen our relationships with customers and further our commitment to serve these culturally diverse, dynamic urban hubs."

The new Chefs' Toys stores, like the existing locations, are destinations that chefs can rely on for every need in the kitchen and front of house. The stores leverage their buying power to make it possible for every customer to confidently and cost-effectively run their operation.

The grand openings reflect TriMark's continuing goal, which aims to create a welcoming and expedient means for foodservice professionals to purchase and replenish essential supplies in the communities where they live and work. Visit <https://chefstoys.com>.
