Innovative Hygiene Solutions

- Natural Odor Control
- No Harmful VOCs
- Nontoxic and Non-hazardous
- No Fragrance Included

TC Pure™

Pure Natural Odor Eliminator is a broad-spectrum odor neutralizer. It controls the full spectrum of odors (eliminating the need for multiple odor control products), and breaks them down for complete odor removal, leaving no external odors or odorous by-products. Data from independent laboratories and researchers proves that Pure is effective for both organic and inorganic odors, safe for humans, safe for animals, and safe for the environment.

Pure is an odor neutralizer. It neutralizes malodors, performing complete odor removal from the air and making it unavailable for the olfactory senses to pick up. So what you smell is... nothing.

Pure is nontoxic, non-hazardous, biodegradable, and contains no harmful VOCs.

Pure is safe for both workers and the environment. It consists of natural organic compounds, food grade surfactants, and purified water.

Pure is available in a pump refill for use in our pump dispensers or in the TCell Continuous Odor Control Passive and Fan Dispensers.

PURE Refills

Stock#	Description
402498	PURE TCell Refill case pack 6 case weight 2 lbs case cube 0.11
401192	PURE Pump Refill case pack 12 case weight 8.5 lbs case cube 0.36
402392	PURE Pump Starter Kit Contains: 1 LED Pump Dispenser (400695), 1 Pure Pump Refill, 2 D-Cell alkaline batteries, double sided tape and mounting screws case pack 6 case weight 9 lbs case cube 0.65
