Wax Filled Glass Lamps

With the look and feel of traditional candles, our Wax Filled Lamps are remarkably lifelike and come in a captivating assortment of colors and designs. The battery-powered moving flame duplicates the look and flicker of traditional filled wax candles and features a realistic faux wick, creating the illusion of a traditional candle even when not illuminated.

- Realistic faux wick
- Up to 1,000 hour run time
- Assortment of colors and designs
- Batteries not included

Patented realistic wick design

Battery Operated
